📍 **Dumfries, Scotland**

📏 **6'0"**

⚖️ **228 lbs**

### 🔥 Overview

Ciaran Kennedy doesn't wrestle for approval, he wrestles for control.

Raised on the streets and shaped by self-reliance, Kennedy answers to no one but himself. He doesn't care if the crowd cheers or turns on him. Respect isn't something he asks for, it's something he takes. His focus is singular: climb, dominate, and claim gold by any means necessary.

Blending raw aggression with athletic precision, Kennedy carries

himself with the confidence of someone who believes the ring belongs to him, and anyone standing across from him is just in the way.
